Dear Abreham Amesa,

Congratulations on successfully completing the NDG Linux Essentials course in the Cisco Networking Academy. By completing this course, you are now prepared to earn the Linux Essentials Professional Development Certificate from the Linux Professional Institute (LPI).

Today's job market is competitive, but the rewards are worth it. With employers reporting they are paying salaries well above company norms, paying out bigger bonuses, and offering flexible schedules, there has never been a better time to have strong Linux abilities. Verifying your skills with a professional certificate can be a great way to stand out from other candidates, by proving you have the technical abilities required for the job. Become a stronger prospect in the job market by pairing our certificate with other industry-recognized certifications such as Cisco Certified Network Associate (CCNA).

OBTAINING THE LINUX ESSENTIALS PROFESSIONAL DEVELOPMENT CERTIFICATE SHOWS THAT YOU:

- Understand the Linux operating system
- Have demonstrated the ability to navigate a Linux system
- Can execute the power of the Linux command line
- Possess knowledge of Linux security and file permissions
- Have the motivation to advance your IT career

NDG LINUX SERIES

We hope you'll continue your Linux studies with the NDG Introduction to Linux I course. This course prepares you for the LPIC-1 101 Exam, the first of two towards the LPIC-1 Linux Server Professional certification from the Linux Professional Institute (LPI). The LPIC-1 certification will show you have the in-demand Linux skills that employers are seeking.

Go to LPI.org to learn more about the Linux Essentials Professional Development Certificate!

Sincerely,
The NDG Team

To Whom It May Concern

It is my pleasure to recommend Abreham Amesa for any position requiring excellent programming skills and a strong work ethic. As Lecturer of the Wolkite University, Ethiopia as well as his final year project advisor in the College of Computing and Informatics, I witnessed first-hand Abreham's talents and capabilities, my undergraduate student as a promising candidate to apply for your esteemed job or scholarship Program.

I do hereby witness that I have known my dear student Abreham Amesa since his enrollment in the Department of Information Systems, over the past four years I have got to know Abreham Amesa very well. He chose to take on an ambitious project titled 'Transport Management System for Wolkite University' that involved developing a complex web application using advanced coding techniques.

His work was so impressive that the university has decided to adopt his application for use by faculty. This is a testament to the caliber of his skills and coding capabilities. Abreham's project showcased his ability to take a project from conception to delivery while liaising with various stakeholders. He methodically approached the project and was always willing to learn new skills. Beyond his obvious technical talents, Abreham has the collaborative working skill and maintains a positive attitude. He was always willing to help classmates and participates actively in discussions.

In summary, I believe that Abreham Amesa has the competency to come up in professional study and take any professional responsibility in any organization. If you have any other questions, please do not hesitate

Sincerely,

Mr. Habtamu Alemayehu (MSc in Computer Science and Engineering)

Letter of Recommendation

I feel very happy to write this letter of recommendation to Abreham Amesa Bedada who is graduated in Information system from the collage of Computing and Informatics, Wolkite University. I came to know Abreham Amesa Bedada while he was studying Information System for his B.Sc. Degree. I also got the chance to have a close look to him since I am assigned to deliver a course.

As I observed him from the time, I know him I found him as a motivated, capable and hardworking person, who takes his responsibilities seriously and does a good job. Overall Abreham Amesa Bedada is intelligent and has a good analytical skill. He showed aptitude and willingness to update his knowledge and skills that might make him a true professional. He fits in to the organizational and team tasks very well, and, brings in a sense of purpose and objectivity to whatever he does.

As personal level, Abreham Amesa Bedada is well disciplined, industrious person with a pleasant personality. His contact and character have been excellent throughout my contact period. Considering his already proven talent and skills, I wholeheartedly and strongly recommend him, without any hesitation.

Therefore, I sincerely believe that he will contribute a lot for his country particularly for the surrounding community in sharing his knowledge and skills. If I can be of any further assistance or provide you with any further, please do not hesitate to contact me.
